

Molina Healthcare Expands Medicare Service

November 7, 2007

Now Offers MA-PD and Special Needs Plans in Seven States

LONG BEACH, Calif.--(BUSINESS WIRE)--Nov. 7, 2007--Molina Healthcare, Inc. (NYSE: MOH) announced today that its licensed health plan subsidiaries in California, Michigan, Nevada, New Mexico, Texas, Utah and Washington have been approved by the Centers for Medicare and Medicaid Services (CMS) to offer a Medicare Advantage plan with prescription drug coverage (MA-PD). Molina Healthcare intends to begin enrolling members on January 1, 2008.

"Our new MA-PD plans will offer greater access to quality health care services to those who need the stability, affordability and flexibility of coordinated benefits the most," said Dr. J. Mario Molina, president and chief executive officer of Molina Healthcare, Inc. "Molina Healthcare is pleased to expand our service offering and direct our expertise in serving low-income individuals towards addressing the health care needs of older Americans, disabled persons and those in our society who are similarly vulnerable."

Molina Healthcare will offer its MA-PD plans under the registered trade name, Molina Medicare Options and its Medicare Advantage Special Needs Plans (MA-SNP) under the trade name, Molina Medicare Options Plus. Consumers and providers interested in learning more about Molina's Medicare plans or eligibility requirements may call toll-free 1-866-403-8293 for more information.

In addition to offering Medicare products, Molina Healthcare is recognized as one of the nations' leading providers of quality Medicaid services. U.S. News and World Report magazine recently listed Molina's subsidiary Medicaid health plans in New Mexico and Utah among "America's Best Health Plans" in its annual report measuring the quality and performance of the nation's health plans. The same report ranked Molina's plans in New Mexico, Utah and Washington as the top Medicaid plans in their state.

About Molina Healthcare

Molina Healthcare, Inc. is a multi-state managed care organization that arranges for the delivery of health care services to persons eligible for Medicaid, Medicare, and other government-sponsored programs for low-income families and individuals.
