

Molina Healthcare Introduces Molina Medicaid Solutions

May 3, 2010

Company Closes Acquisition of Unisys Medicaid Health Information Management Business

LONG BEACH, Calif., May 03, 2010 (BUSINESS WIRE) --Molina Healthcare, Inc. (NYSE:MOH) today announced that, effective May 1, 2010, it closed on its acquisition of the Health Information Management (HIM) business of Unisys Corporation (NYSE:UIS). HIM will operate as a subsidiary of Molina Healthcare under the name, Molina Medicaid Solutions.

"We believe that Molina Medicaid Solutions will lay the foundation for an exciting new opportunity for our company," said, J. Mario Molina, MD, Molina Healthcare's president and chief executive officer. "Molina's expertise in both Medicaid and in managed care gives us unique knowledge that will enable us to deliver Medicaid health information solutions for states and to optimize efficiency in ways that will reduce costs."

Molina Medicaid Solutions provides design, development, implementation, and business process outsourcing solutions to state governments for their Medicaid Management Information Systems (MMIS). MMIS is a core tool used to support the administration of state Medicaid and other health care entitlement programs. Molina Medicaid Solutions currently holds MMIS contracts with the states of Idaho, Louisiana, Maine, New Jersey, and West Virginia, as well as a contract to provide drug rebate administration services for the Florida Medicaid program.

The consideration for the acquisition was \$135 million, subject to working capital adjustments. The acquisition was funded with available cash and funds drawn under the Company's credit facility.
