Form 10-K for the Fiscal Year Ended December 31, 2017

Notes to Consolidated Financial Statements
Note 10: Medical Claims and Benefits Payable, page 95

1. At the bottom of page 97 you disclose that the prior year unfavorable development recorded in 2017 is the result of "inaccurate adjudication of provider claims at our Florida, Illinois, New Mexico and Puerto Rico health plans that created substantial payment backlogs which we were unable to adequately measure when we estimated our liability at December 31, 2016." Please address the following:
Tell us what you mean by inaccurate adjudication of provider claims, and provide us the facts and circumstances surrounding these inaccuracies as well as their causes and when they occurred and were discovered.

Tell us how the inaccurate adjudications created substantial payment backlogs that you

were unable to measure when you estimated your liability at December 31, 2016 and the relevance of these payment backlogs on your estimate of the December 31, 2016 liability.

Tell us the estimated amount of 2017 unfavorable development attributable to the inaccurate adjudications and inability to accurately measure payment backlogs for each of the identified health plans.

In closing, we remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
