**Item 7.01 Regulation FD Disclosure.**

On September 23, 2013, the Florida Agency for Health Care Administration (AHCA) notified our Florida health plan, Molina Healthcare of Florida, Inc., that the health plan had not been awarded a contract under the Florida Statewide Medicaid Managed Care (SMMC) Managed Medical Assistance (MMA) Invitation to Negotiate. Our Florida health plan expects to file a notice of intent to protest with respect to the September 23rd announcement by AHCA.

For the six months ended June 30, 2013, the Florida health plan reported approximately \$120 million in revenue under its existing TANF and ABD contract with AHCA, representing approximately 4% of the Company's total premium revenues for that six-month period. The Florida health plan suffered a net loss under the contract for the same six-month period in the amount of approximately \$650,000. The Company does not expect this matter to affect its earnings during fiscal year 2013, or to impact the previously awarded contracts under the SMMC Long-term Care Program. Because of uncertainties associated with the protest filing and the timing of implementation of the MMA program, no predictions can be made with respect to this matter for periods after fiscal year 2013.
