6.4.2 So long as the Indemnifying Party is conducting the defense of the Claim in accordance with Section 6.4.1 above, (A) the Indemnitees may retain separate co-counsel at his, her, or its sole cost and expense and participate in the defense of the Claim, (B) the

8.8 Amendment. This Agreement may not be amended or modified unless pursuant to a written instrument which refers specifically to this Agreement and is executed by the Parties.

8.9 Changes in Law. The Parties acknowledge and agree that they intend for this Agreement to comply with all applicable Laws. Therefor, if legal counsel for either Party reasonably determines that changes are required to this Agreement as a result of the enactment of new Laws or a court or Governmental Entity interpretation of existing Laws, then the parties will negotiate in good faith such changes to this Agreement as will be reasonably required to address such issues. In negotiating such changes, the parties will use reasonable good faith efforts to preserve, as nearly as possible, the economic agreement between them. In the event the Parties are unable to reach agreement with respect to such changes, despite such good faith negotiations, either Party may thereafter terminate this Agreement upon written notice to the other.

8.12 Waivers. No consent or waiver, express or implied, by any Party to or for any breach or default by any other Party(ies) or the performance by any other Party(ies) of their obligations under this Agreement shall be deemed or construed to be a consent or waiver to or of any other breach or default in the performance by such Party(ies) of the same or any other obligations of such Party(ies) hereunder. To be effective, all such consents and waivers shall be in writing and executed by the Party(ies) giving the consent or waiver. All such consents and waivers shall be construed strictly. Except to the extent expressly provided to the contrary herein, failure on the part of any Party to complain of any act or failure to act of another Party(ies) or to declare another Party(ies) in default, irrespective of how long such failure continues, shall not constitute a waiver by such Party of its rights hereunder.

8.13 Severability. If any term, provision, condition or covenant of this Agreement or the application thereof to any Party or circumstance shall be held to be invalid or unenforceable to any extent in any jurisdiction, the remainder of this Agreement and the application of such term, provision, condition or covenant in any other jurisdiction or to persons or circumstances other than those as to whom or which it is held to be invalid or unenforceable, shall not be affected thereby, and each term, provision, condition and covenant of this Agreement shall be valid and enforceable to the fullest extent permitted by Law.

Unless the parties agree otherwise, the arbitrator shall set their compensation, within any applicable rules of the Service, and the parties shall bear equally the assessments of the Service and the fees and costs of the arbitrator, unless the arbitrator determines that a particular party has prevailed on all major substantive issues presented, in which case the fees and costs shall be paid by the party not so prevailing. The pendency of arbitration shall not extend the term of this Agreement or affect any termination provided for hereunder. A single arbitration may be used to resolve one or more disputes pending between the parties at the time of the arbitration proceeding. This agreement to arbitrate shall be specifically enforceable under the arbitration laws of the State of Michigan. The decision of the arbitrator shall be final and binding on the parties, and judgment, including specific enforcement of the decision, may be entered upon the decision in any court of proper jurisdiction, the forum designation set forth in this Agreement notwithstanding. Any arbitration pursuant to this Agreement shall be in lieu of court proceedings. The parties specifically waive their rights to proceed by any means before a court otherwise having jurisdiction of any dispute between them, except for: (i) injunctive or other equitable relief, (ii) to enforce an arbitration award, or (iii) as otherwise specifically provided in this Agreement.

8.14.2 With respect to any controversy or dispute arising among the Parties or under this Agreement for which equitable relief is available, each of the Parties agrees to submit to the jurisdiction of the Oakland County Circuit Court or the federal district court for the Eastern District of Michigan located in Detroit, Michigan (the “Chosen Courts”), in any such action or proceeding arising out of or relating to this Agreement. 8.17 Reproductions. This Agreement and all other documents, instruments and agreements in the possession of any Party which relate hereto or thereto may be reproduced by such Party, and any such reproduction shall be admissible in evidence, with the same effect as the original itself, in any judicial or other administrative proceeding, whether the original is in existence or not. No Party will object to the admission in evidence of any such reproduction,

unless the objecting Party reasonably believes that the reproduction does not accurately reflect the contents of the original and objects on that basis.
